

A77

SmartMobile

PAX A77 is an extremely powerful and differentiating next-gen SmartMobile PIN pad specially designed for today's most demanding and diverse enterprise environments. The mobile phone-sized A77 supports a broad range of wireless connectivity options, providing customers and retailers alike the flexibility and absolute freedom to conduct commerce when and how they want. Boasting a stunning 5.5" color touchscreen, an integrated professional scanner, dual high-resolution cameras, and a long-lasting battery, the A77 is poised to centralize enterprises' digital payment, business, and brand immersion touchpoints.
